# Kernodle Clinic Podiatry Department Policy Changes 2017

Due to rising costs and a decline in reimbursement fees from insurance companies, it has become necessary to institute a strict policy regarding no shows and late cancellations.

- 1. A 24 hour cancellation notice is required if you are unable to keep your appointment. Office phone hours are 8am 5pm Monday Friday. Day of visit cancellations and no-shows may be charged a fee of \$25.00.
- 2. Co-pays are an agreement you have with your insurance company. We are obligated to collect the co-pay at the time of the visit. Should you not be able to pay your co-pay, your appointment may need to be rescheduled.
- 3. If you arrive more than 15 minutes late, your appointment may need to be rescheduled.
- 4. Repetitive no-shows and/or late cancellations may lead to discharge from the Podiatry department.
- 5. No refills will be provided for patients on a walk-in basis. Patients must call their pharmacy for their refills.
- 6. Disability paperwork must be dropped off. We require at least 72 hours for completion of this paperwork and a \$10.00 fee will be expected at the time of pick up.

We would appreciate your cooperation and certainly appreciate your confidence in us to provide your care. Thank you.
